What is Circle Pines?

Circle Pines is a cooperative non-profit deep in the woods of Southwest Michigan. Circle Pines' mission is to promote cooperation as a way of life, and does so throughout the year with festivals, member meetings, workbees for apple cider & maple syrup making, and of course, summer camp. Ours is a small and tight-knit community, with around 60 campers per session and 25-30 staff living on 294 acres of woodlands, prairie, and lakefront. Campers and staff explore the arts, the environment, lead group discussions, volunteer locally, tend to animals & plants, and more! Your impact here is the type that will last a lifetime, and we welcome you to join us in 2025.

Sound interesting?

Send us a message or apply by looking at the right side of this flyer...

How to Apply

For those that wish apply, please go to <https://circlepinescenter.org/get-involved/work/> or send an email to "summercamp@circlepinescenter.net" we will be happy to aide you and answer any questions there!
